Summary

Experienced professional with 7+ years in content moderation, team leadership, and CMS management.

Skilled in software development, Website Design, Adobe programs, and Microsoft Office.

Currently Working as a Quality Assurance Manual Tester for HF Markets.

I have led teams to ensure platform compliance and safe online spaces while managing schedules and daily operations.

As an entrepreneur, I built a successful jewelry brand, handling everything from website design to marketing and customer service.

A fast learner with a hands-on approach, I'm always focused on growth and delivering results.

EXPERIENCES

Quality Assurance Manual Tester

August 2025 -

HF Markets, Larnaca

Performed manual functional, regression, and usability testing of financial trading platforms at HF Markets, ensuring high-quality releases by identifying, documenting, and tracking defects, and collaborating closely with developers and business analysts to meet project requirements.
